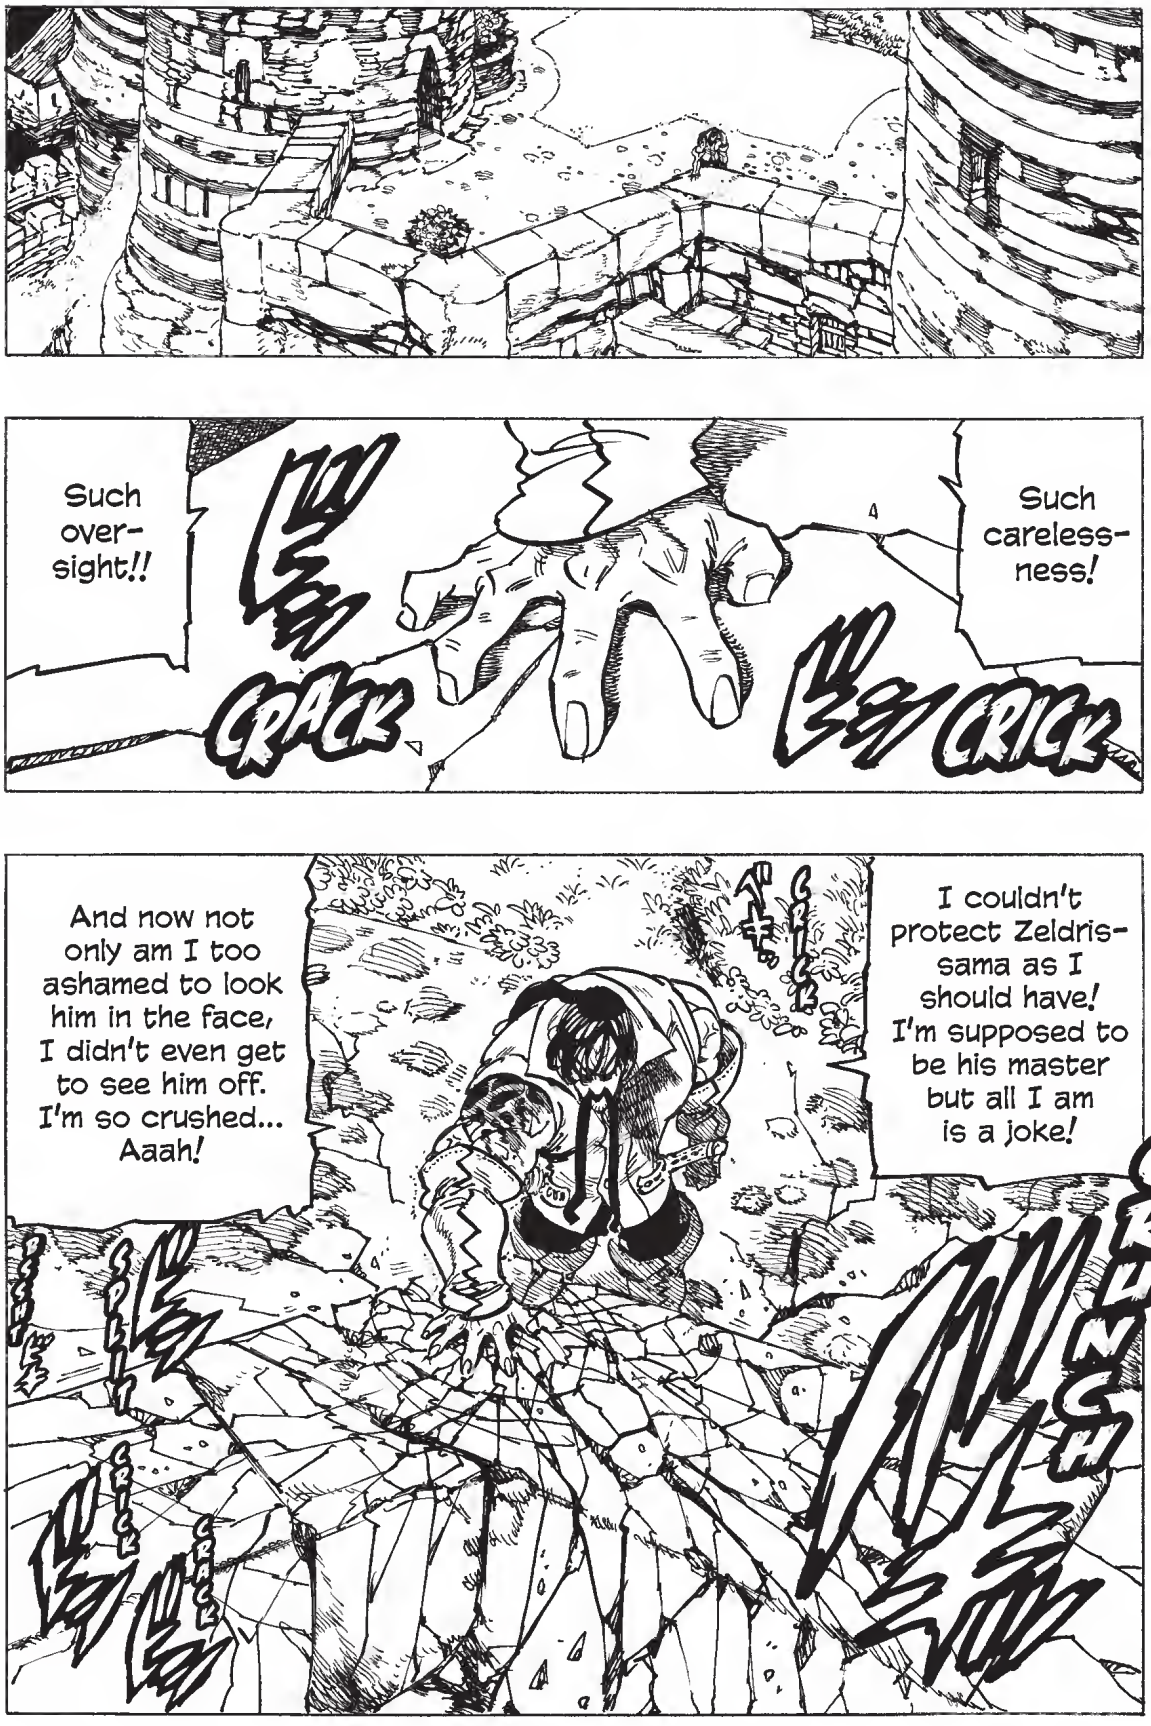
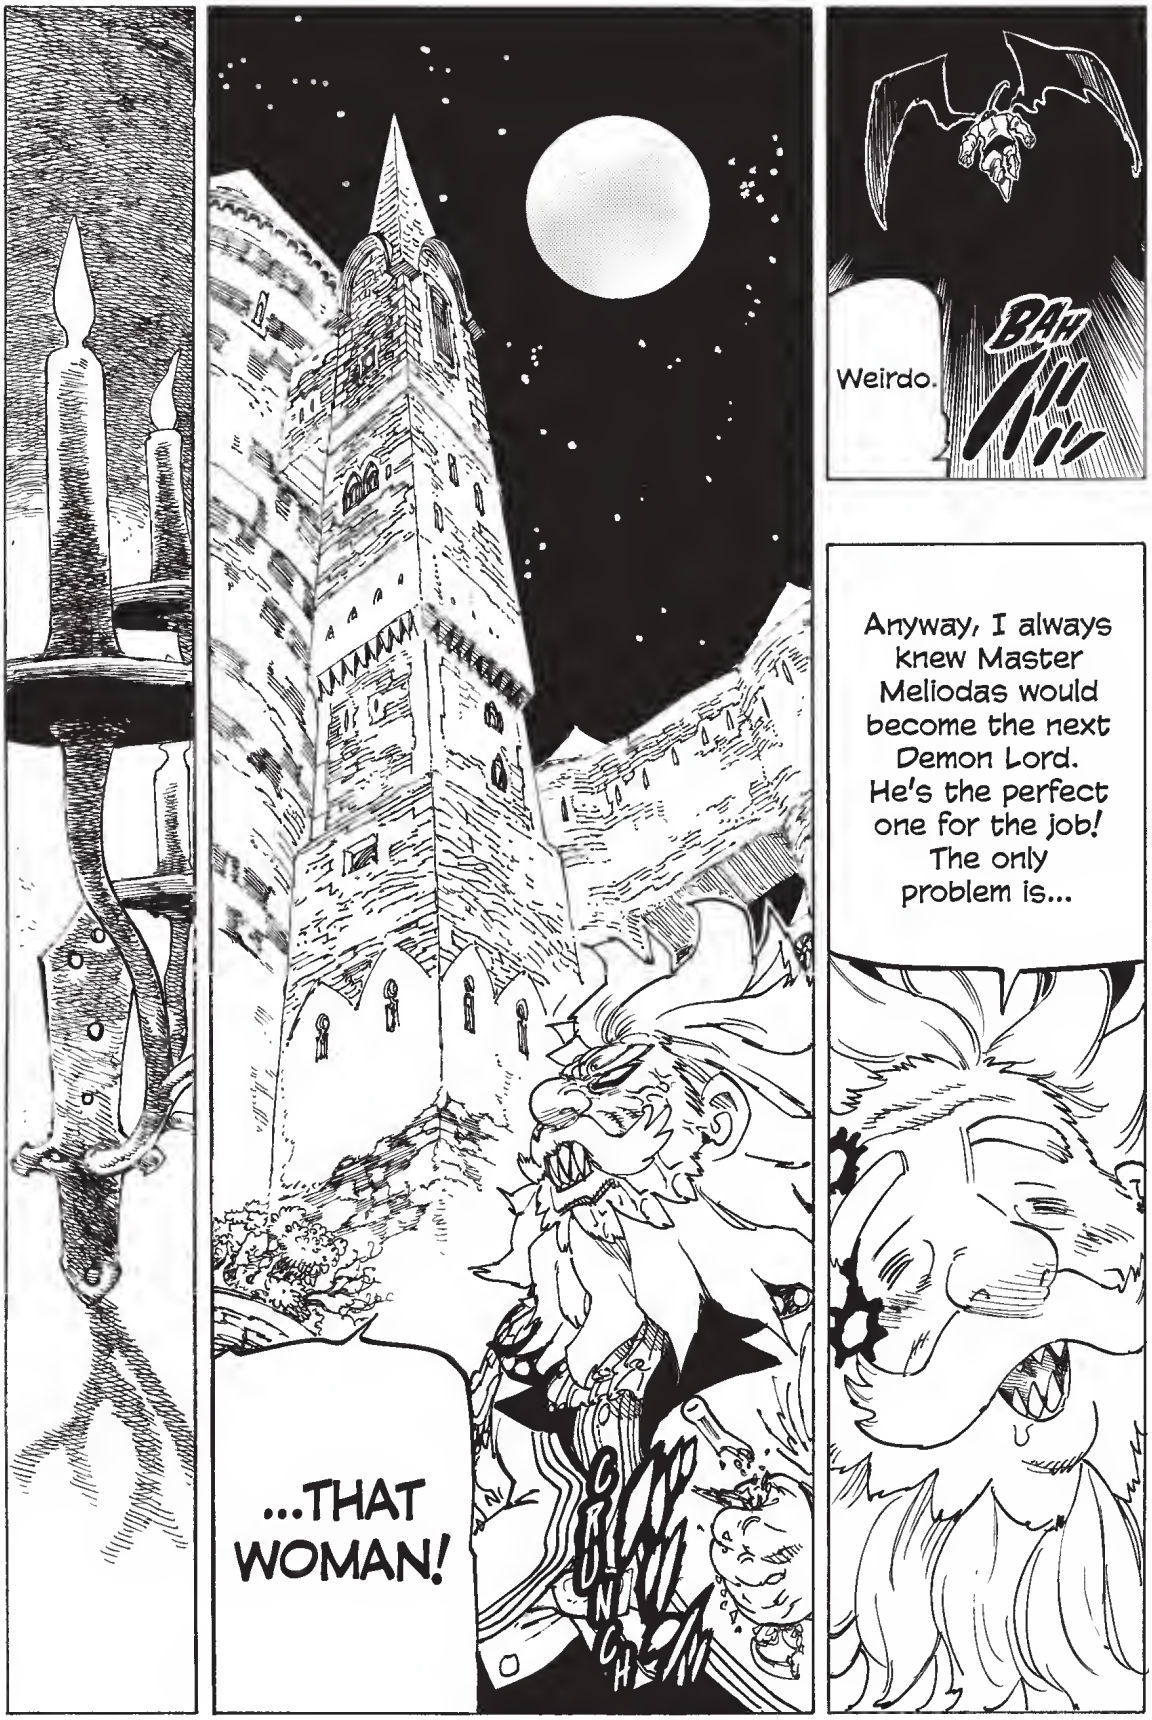
NAKABA SUZUKI

Chapter 248 / Our Choice

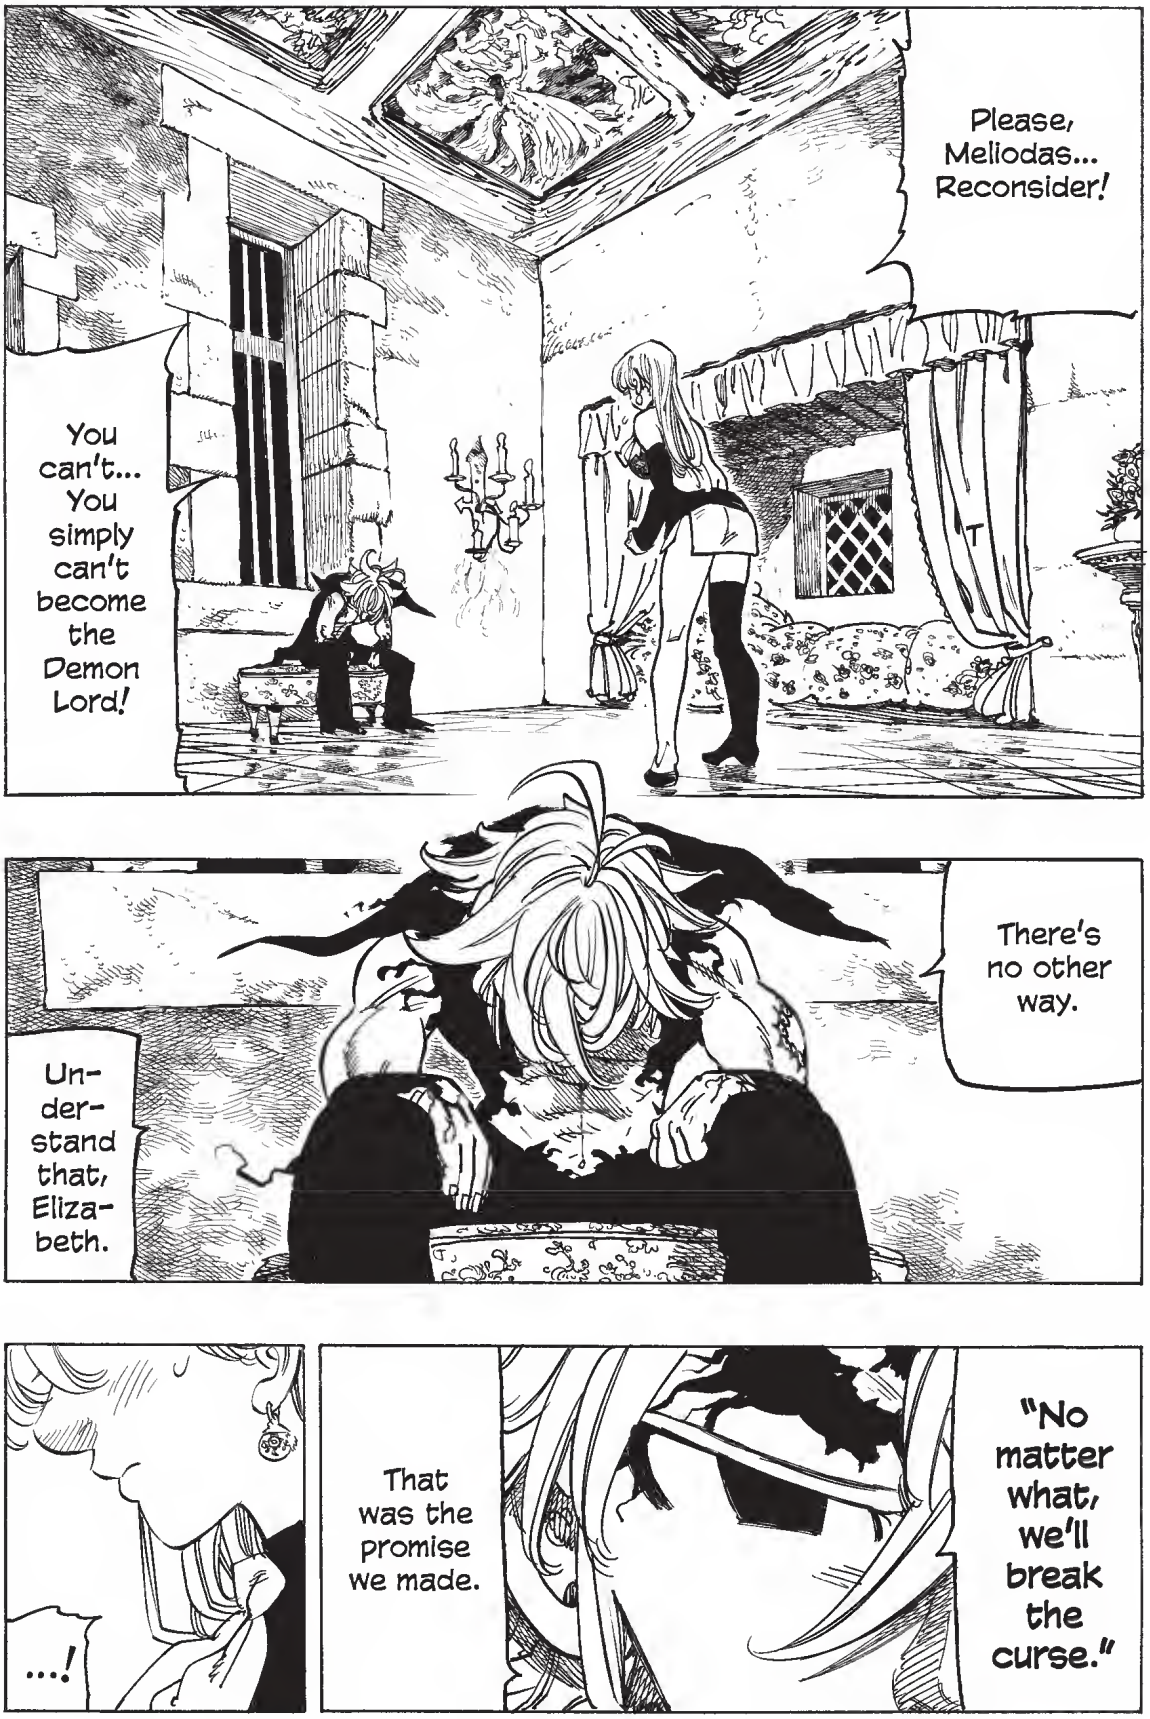


Such over-sight!!
CRACK
CRICK
Such careless-ness!
And now not only am I too ashamed to look him in the face, I didn't even get to see him off. I'm so crushed... Aaah!
I couldn't protect Zeldris-sama as I should have! I'm supposed to be his master but all I am is a joke!
CRUNCH
SPLIT
CRICK
CRACK

RRR RRR RRRR RUMBLE
This is all because of your pupil, "Pacifier"!
Then do a good job at least taking care of the place while he's away, "Dozing"!
Why, Zeldris-sama... Why are you doing as he says?!
CHUG CHUG
What ideas did Meliodas put in his head anyway?!
GRRRRUMBLE
Mmm. Tasty drink.
"Pacifier"... I'll be right back.
Huh? What about watching the place?
Keep it short!
Ummmmm. Cusack-sama, I've got to tell you something, you know.
PERK
...You know.
...y'know, y'know.

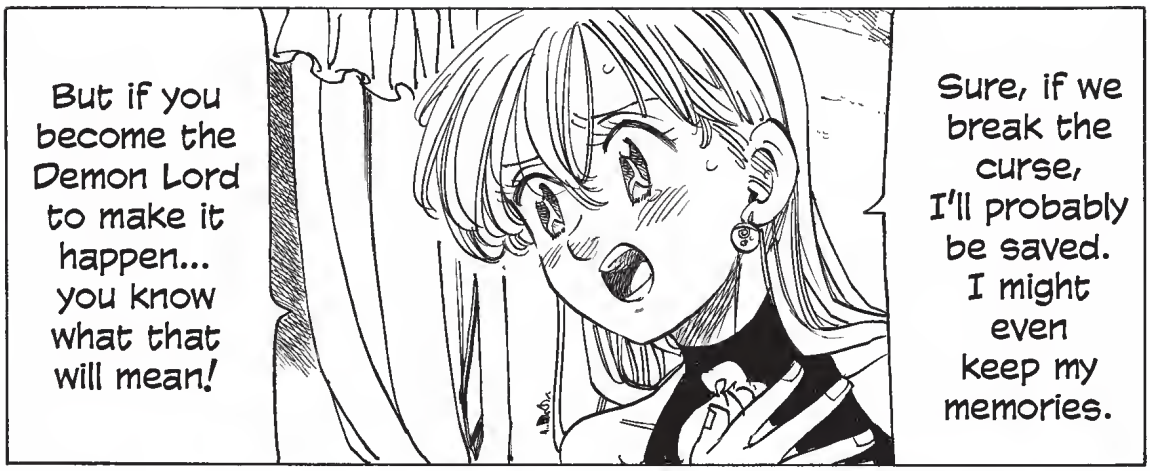


Weirdo.
BAH
Anyway, I always knew Master Meliodas would become the next Demon Lord. He's the perfect one for the job! The only problem is...
...THAT WOMAN!
CRUNCH



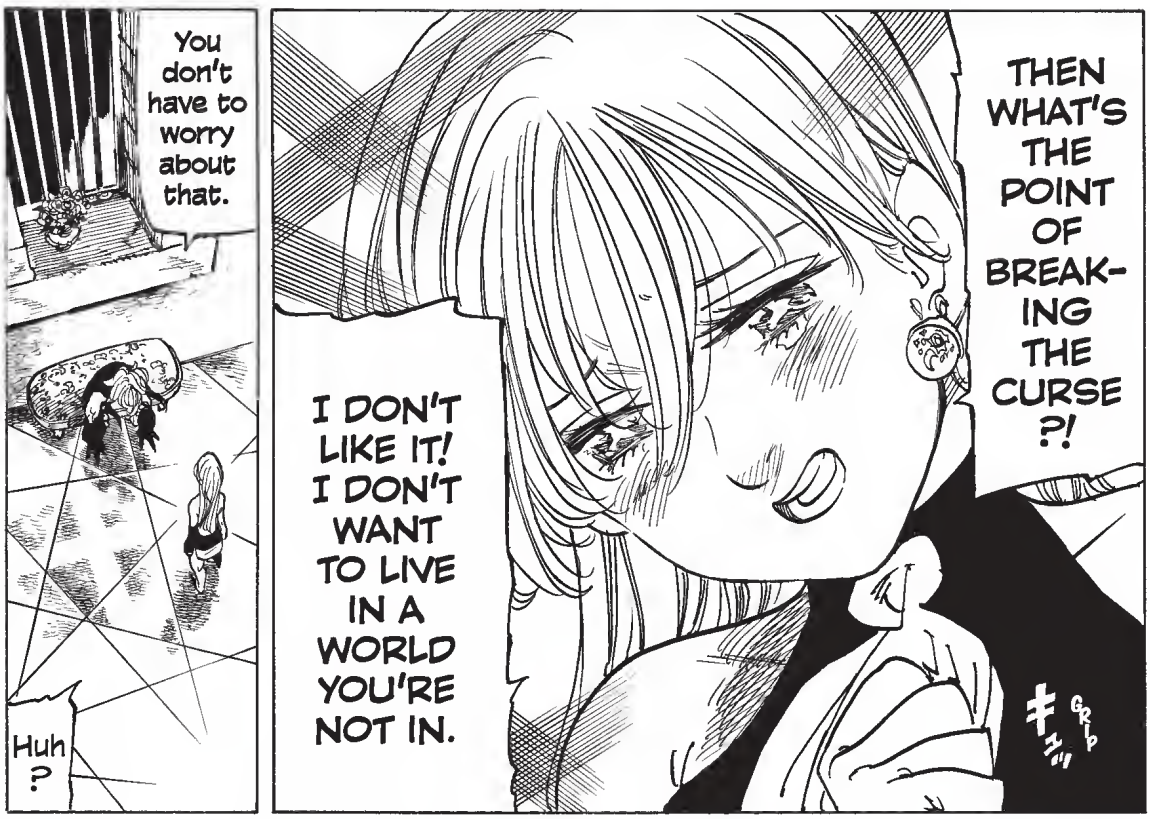
Please, Meliodas... Reconsider!
You can't... You simply can't become the Demon Lord!
There's no other way.
Un-der-stand that, Eliza-beth.
...!
That was the promise we made.
"No matter what, we'll break the curse."

But what I'm scared of most...
...is never seeing you again.
Look, I'm scared of dying... Actually, make that I'm scared of being reborn and losing all my current memories.
I don't want to forget my father, my sisters, Hawk-chan, Diane, Elaine... or anybody else from The Seven Deadly Sins.

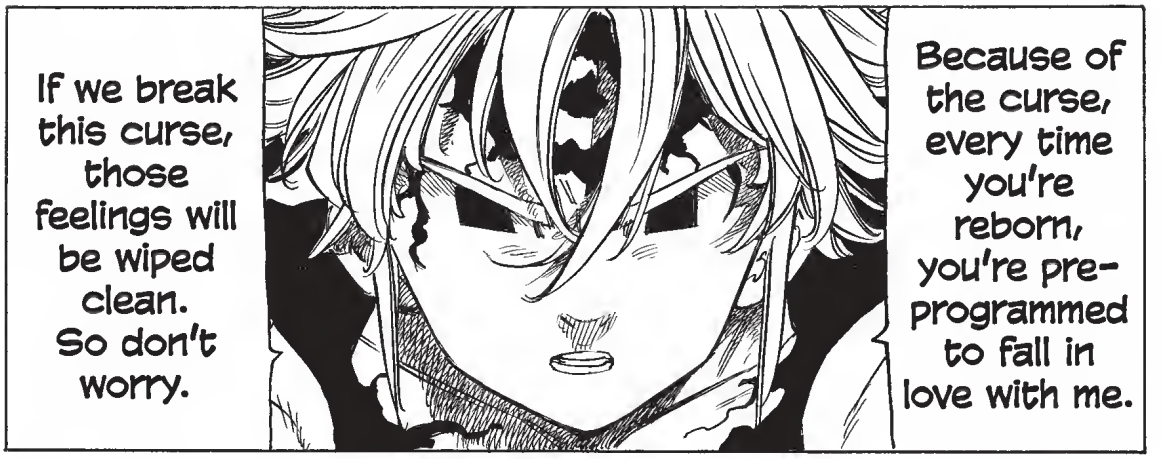


But if you become the Demon Lord to make it happen... you know what that will mean!
Sure, if we break the curse, I'll probably be saved. I might even keep my memories.

I probably won't be able to keep living in this world of Britania.
The Demon Lord's powers are great.

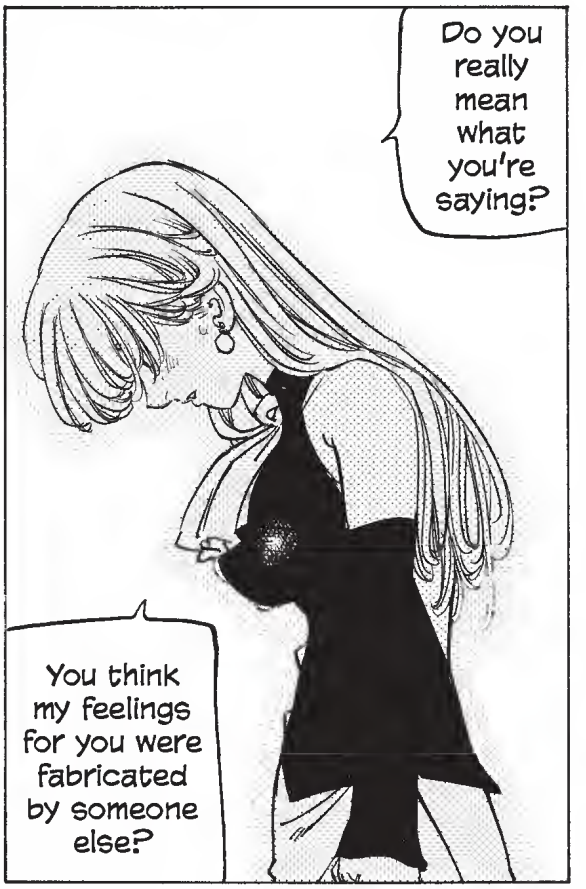


You don't have to worry about that.
Huh?
I DON'T LIKE IT! I DON'T WANT TO LIVE IN A WORLD YOU'RE NOT IN.
THEN WHAT'S THE POINT OF BREAK-ING THE CURSE?!
GRIP

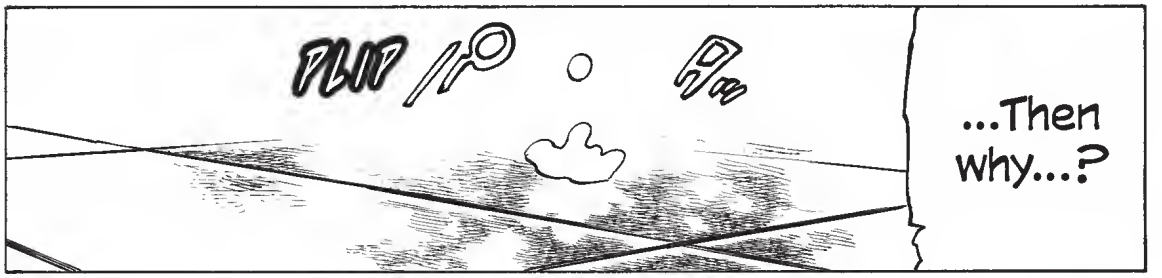


If we break this curse, those feelings will be wiped clean. So don't worry.
Because of the curse, every time you're reborn, you're pre-programmed to fall in love with me.

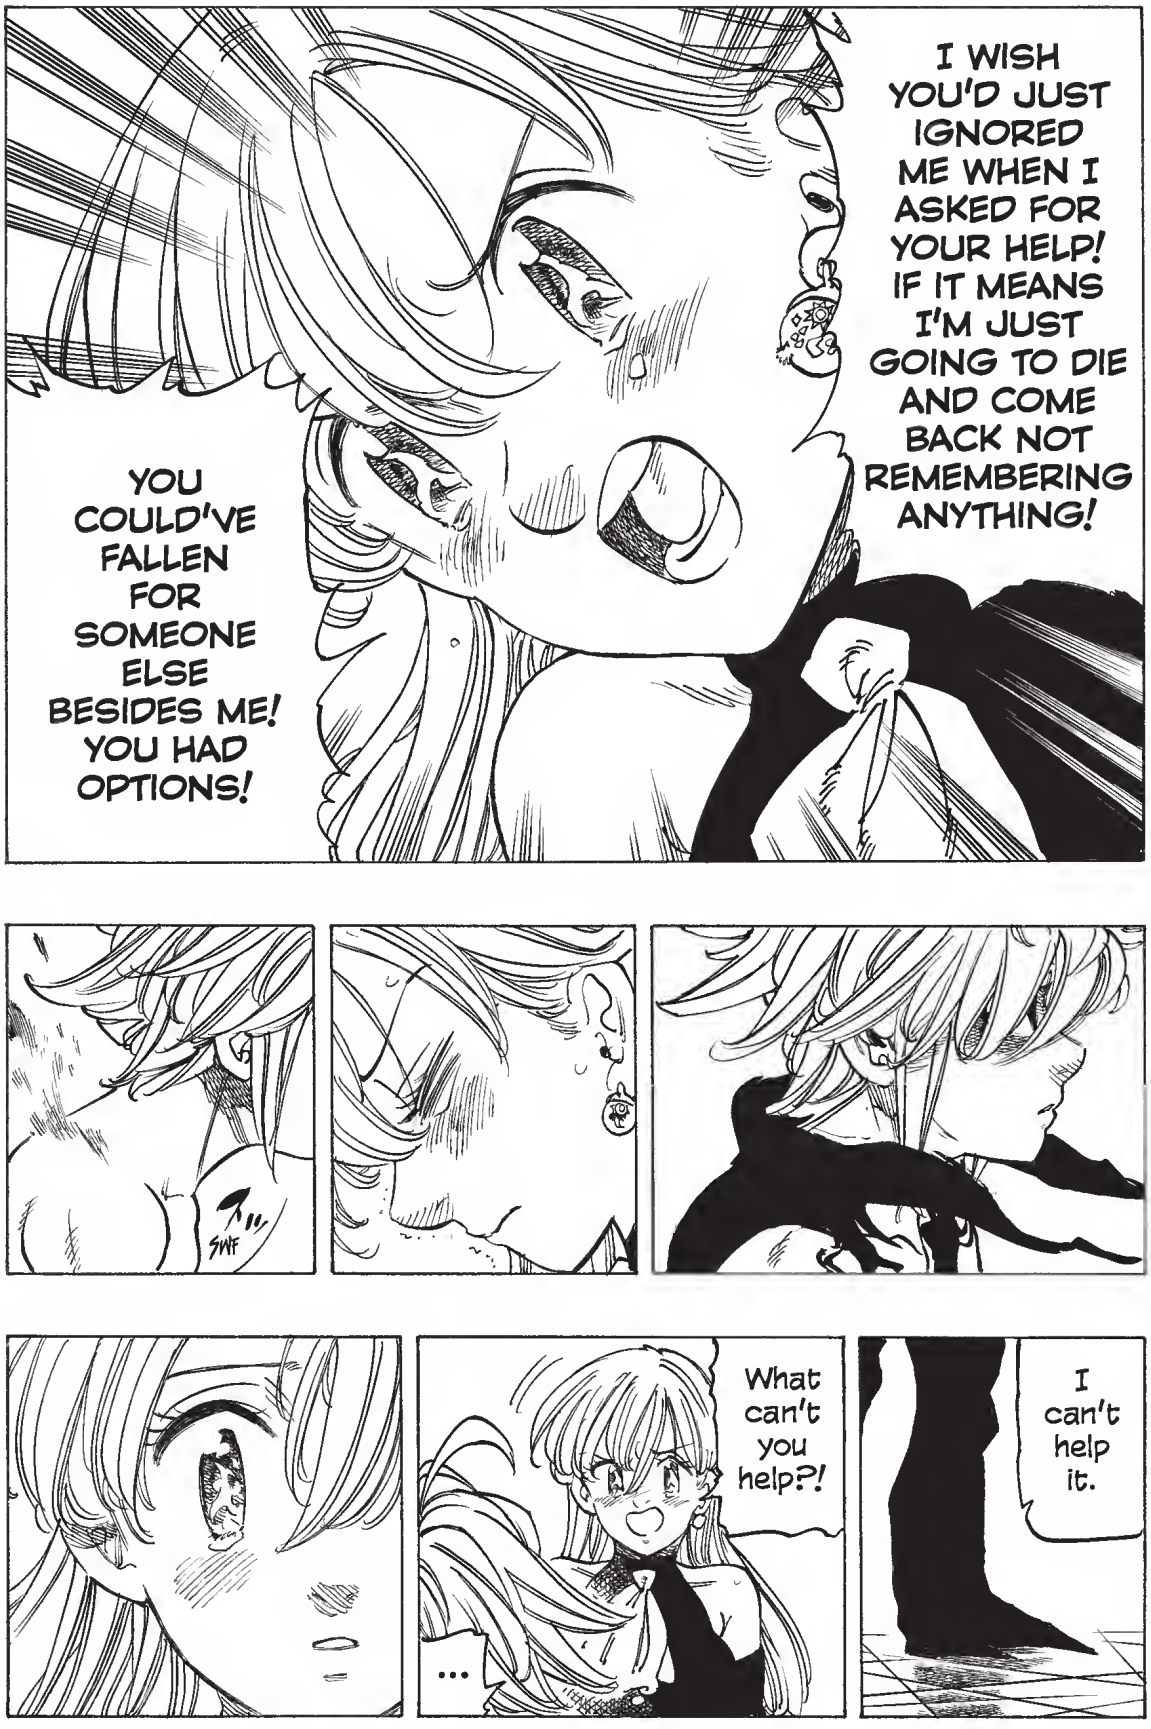
That every time you're reborn, you love me and only me.
I wouldn't be able to believe it otherwise.



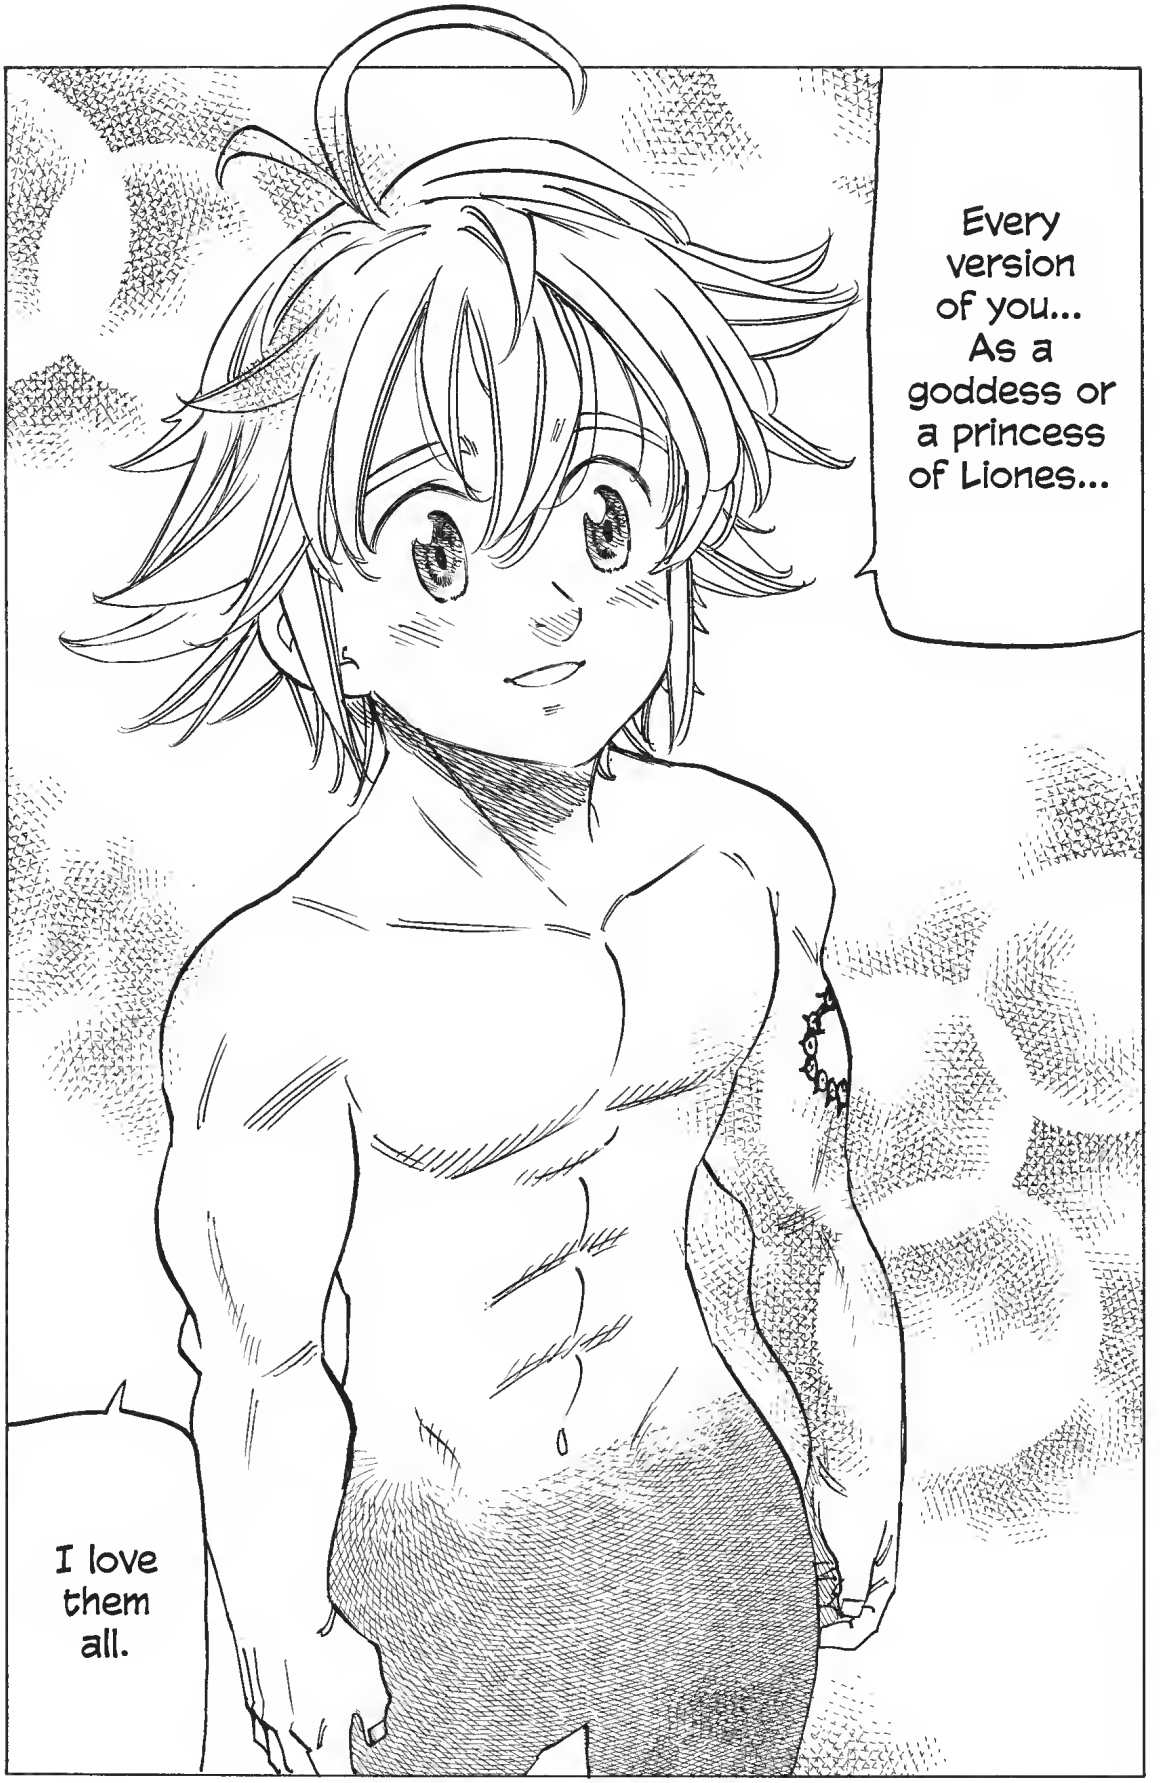
Do you really mean what you're saying?
You think my feelings for you were fabricated by someone else?



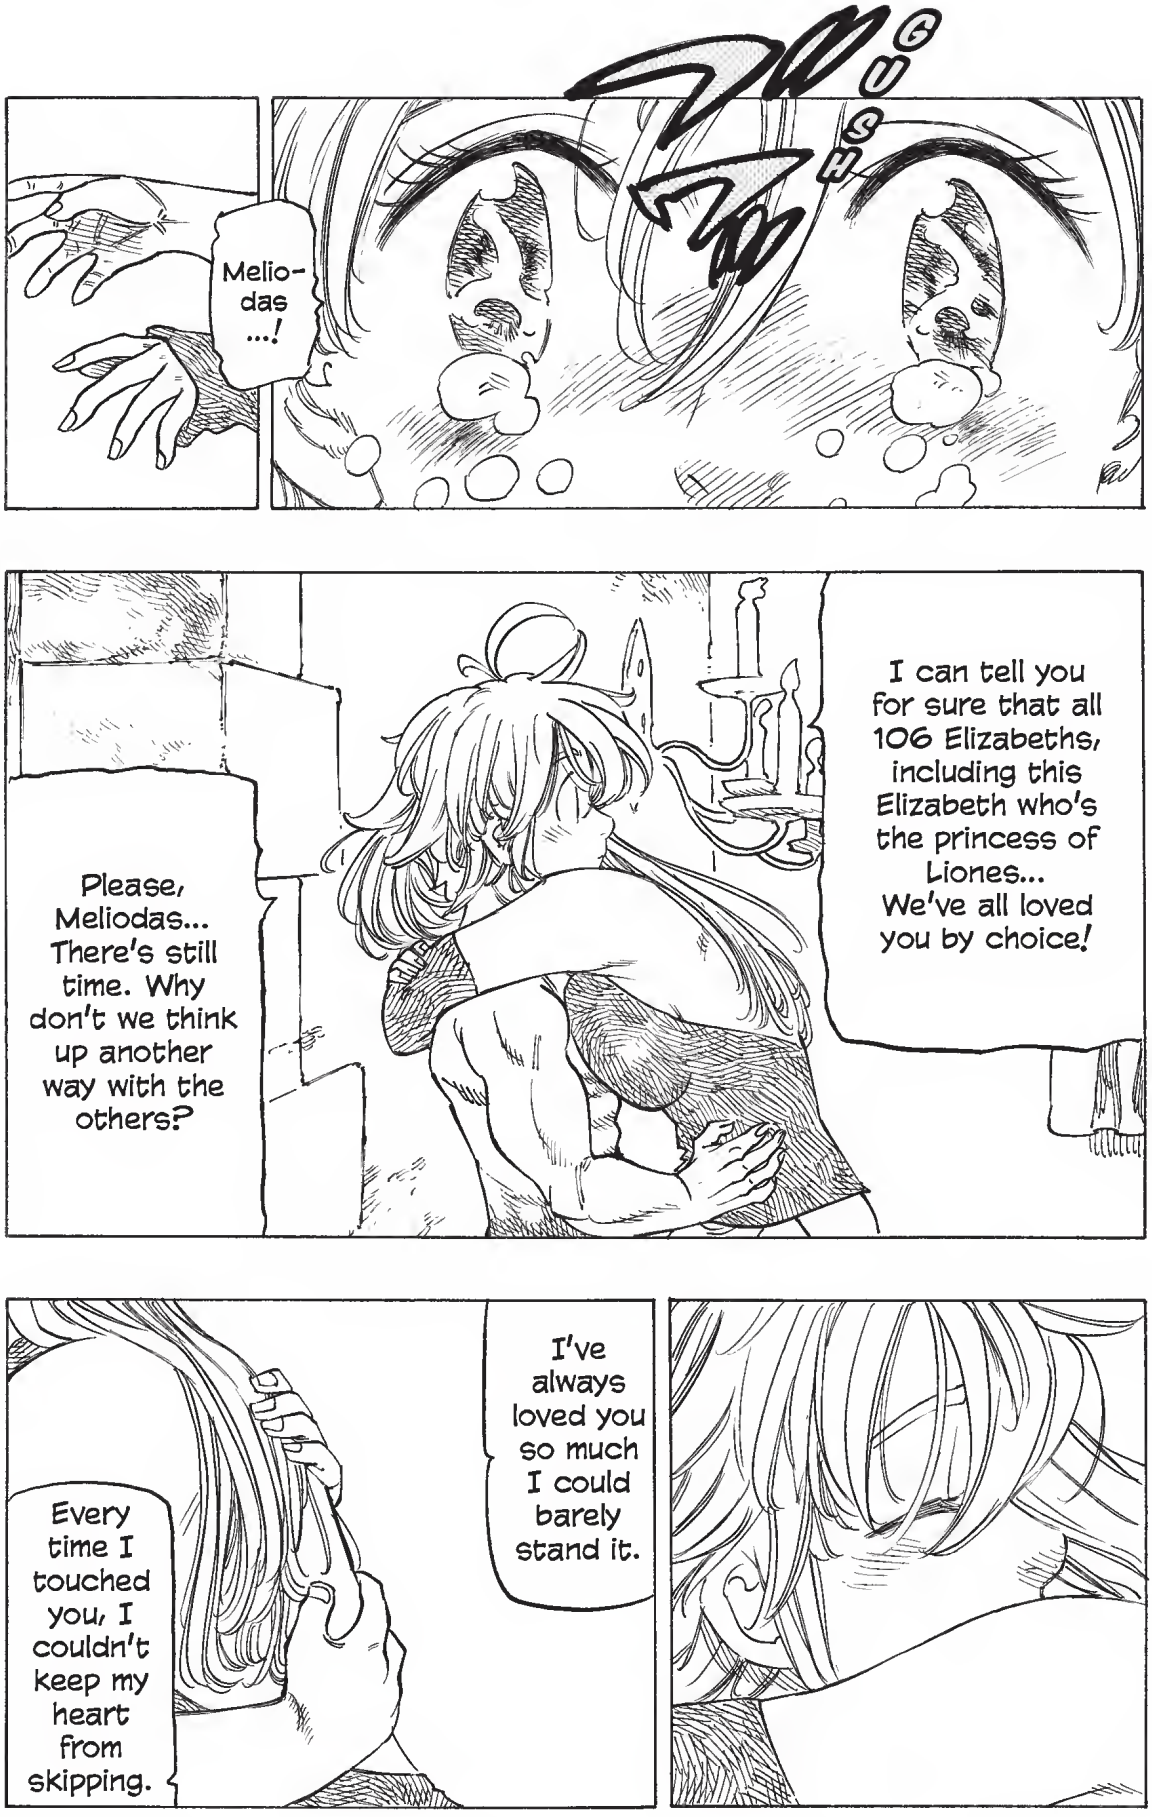
PLIP
...Then why...?



I WISH YOU'D JUST IGNORED ME WHEN I ASKED FOR YOUR HELP! IF IT MEANS I'M JUST GOING TO DIE AND COME BACK NOT REMEMBERING ANYTHING!
YOU COULD'VE FALLEN FOR SOMEONE ELSE BESIDES ME! YOU HAD OPTIONS!
SWF
What can't you help?!
...
I can't help it.

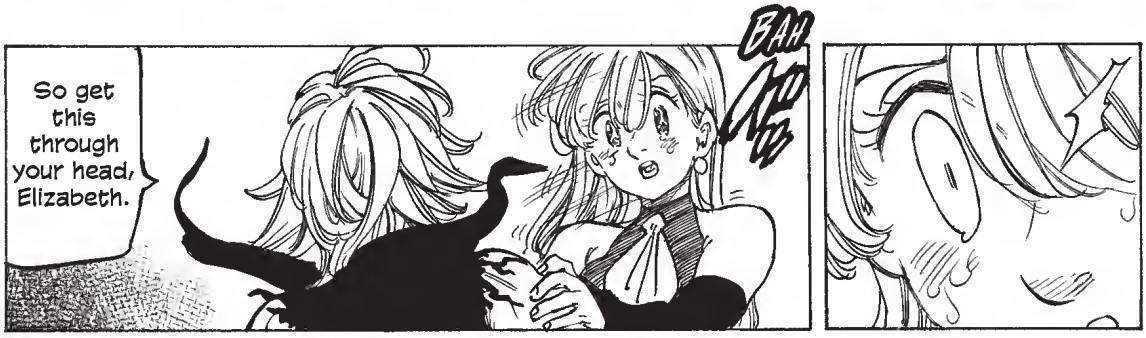


Every version of you... As a goddess or a princess of Liones...
I love them all.

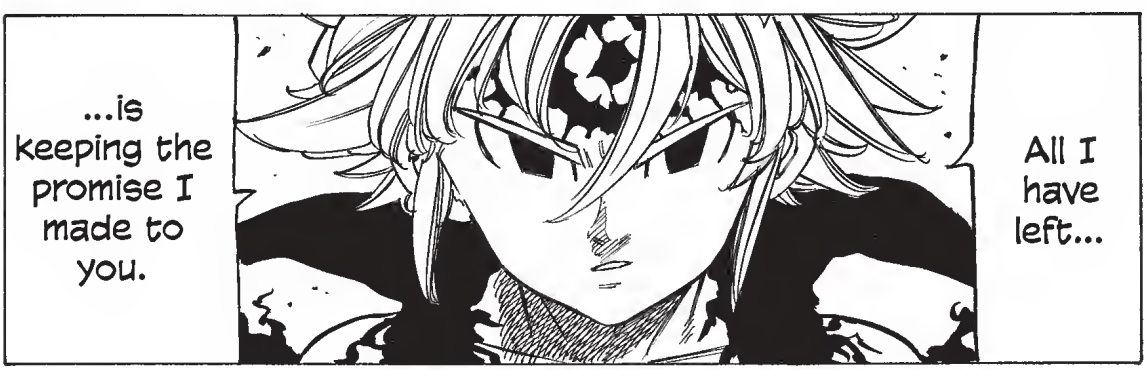


Gush
Melio-das ...!
Please, Meliodas... There's still time. Why don't we think up another way with the others?
I can tell you for sure that all 106 Elizabeths, including this Elizabeth who's the princess of Liones... We've all loved you by choice!
Every time I touched you, I couldn't keep my heart from skipping.
I've always loved you so much I could barely stand it.

ZSH
But now I feel nothing.



So get this through your head, Elizabeth.
BAH



...is keeping the promise I made to you.
All I have left...

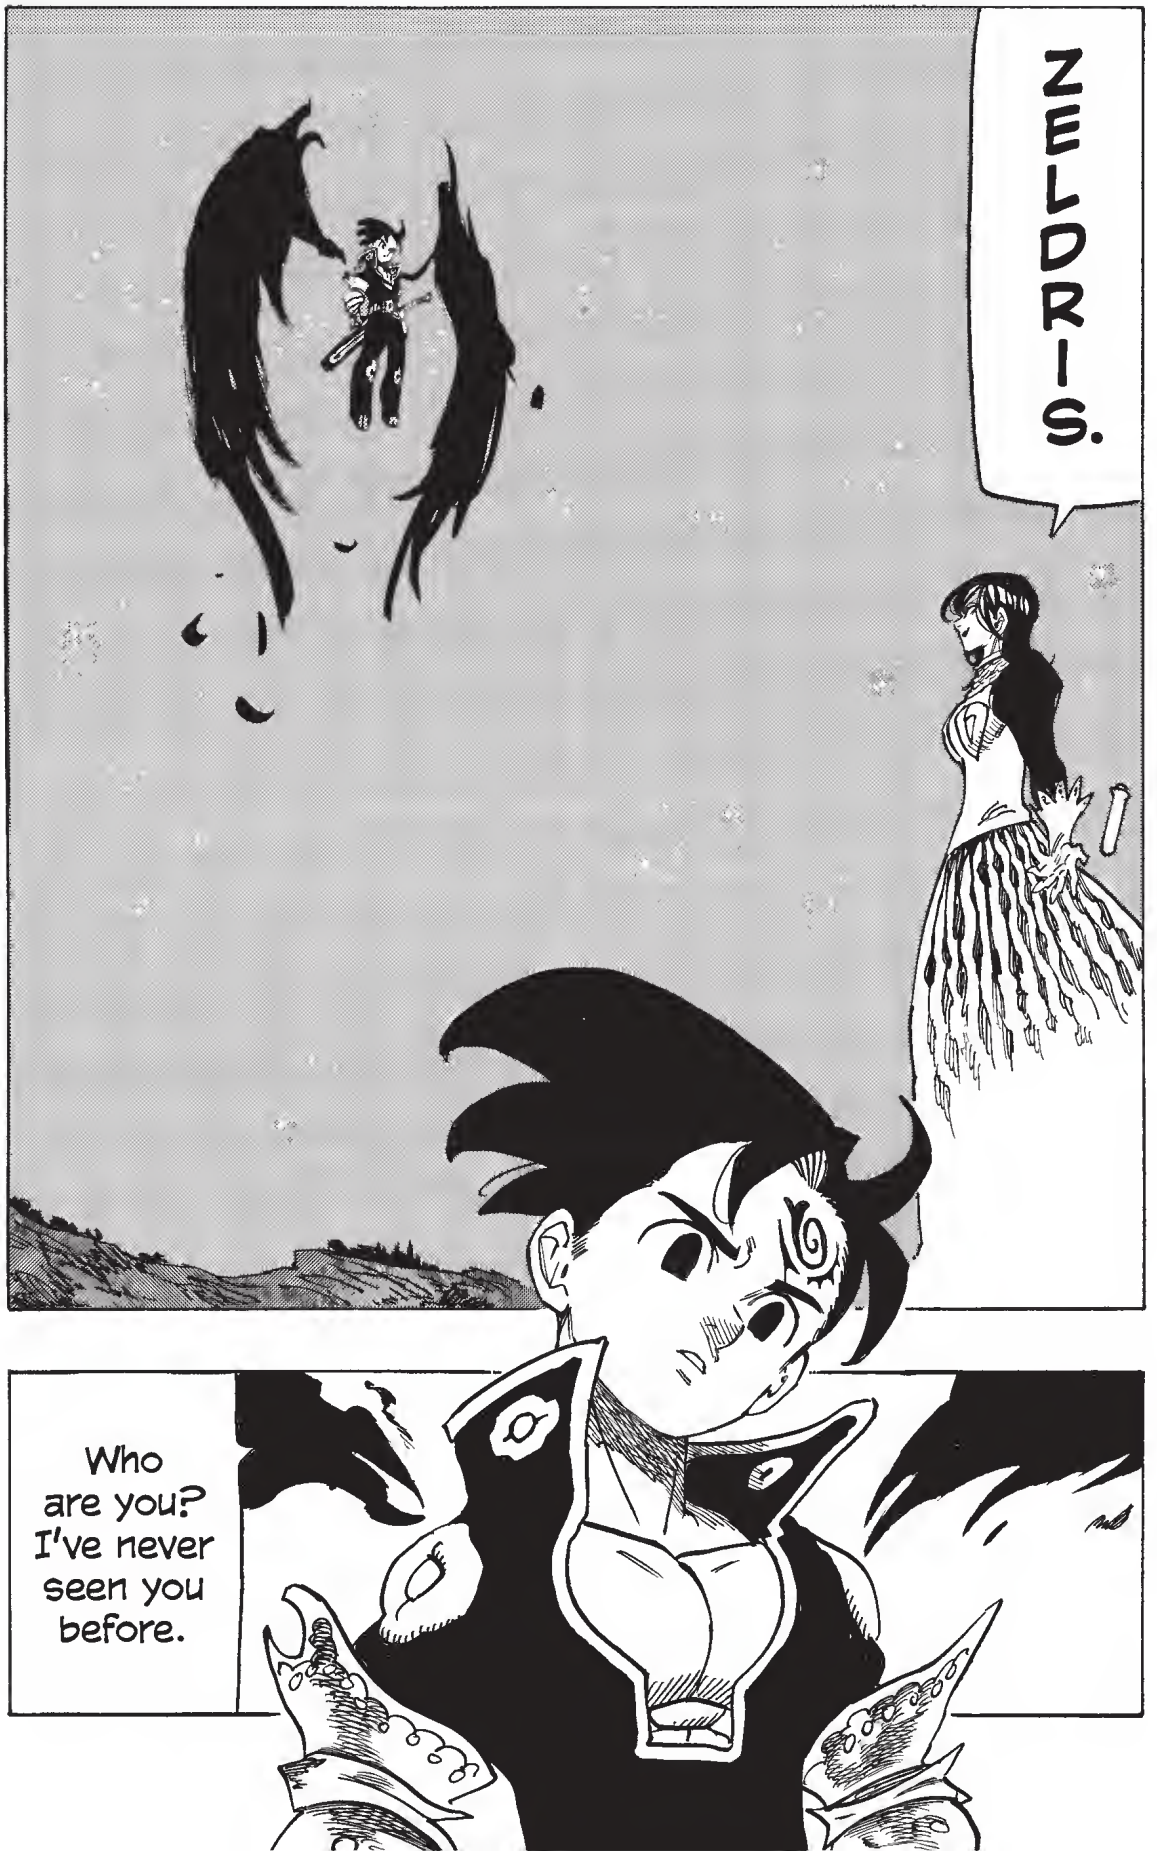
?
Then I have an idea.
...Fine.
I'M GOING TO WORK WITH THE SEVEN DEADLY SINS...
...TO STOP YOU FROM BECOMING THE DEMON LORD WITH EVERYTHING WE'VE GOT!
Idiot.
If hitting me will make you feel better, then hit me.
Let go of me!
GRAB
Stop being stupid!
BAH

ZOOM

Wait for me.
Meliodas!
FLASH
CRMBL
...
Just like you want to save me...
...I want to save you, too.

And our magic's still drained from that last battle.
An enormous power is coming from the direction of Camelot!
Y-you don't think it's Chandler-san again, do you?!
I-I can't at night!
Escanor, t-trans-form... Trans-form!
THIS IS BAD... REALLY BAD!!
BOAR HAT
SNORRRT
MERLIN!
!!!
Everyone, calm down.
I'm going to try talking to them.

I have an idea of who it is and what he wants. Oh, and another thing.
SNAP
T-Talking to them? But we don't even know who they are or what they want!
WAFT
Don't worry. I have a card up my sleeve.
VOOM
No interfering, okay?
SO IT'S YOU. THEN WE CAN DIS-PENSE WITH THE PRELIMI-NARIES.
What do you mean a card?
HUP.
FWOOP
That's... Melas-cula, right?
CREAK



ZELDRIS.
Who are you? I've never seen you before.

...What?
That's too bad.
POOF
HMPH.
HOW ABOUT NOW?
Huh? What'd he just say?
Then Meliodas was referring to you when he mentioned Merlin?!
!!!
